ABOUT US

Village Creek Landing is a private peninsula on St. Simons Island, Georgia where waterfront events unfold in unforgettable fashion. Stunning views as the setting sun paints the marsh with gold, coastal birds flying by, and the creek tide easing past make a spectacular backdrop for oyster roasts, low country boils, fish fries, BBQ dinners, cocktail parties, wedding receptions, or seated affairs.

Outdoor gatherings are a tradition here, complemented by a creekside Gazebo (ideal for bands and wedding ceremonies), decking with perimeter bench seating (with ample space for dinner tables and dancing), festive lighting, an upstairs porch with balcony and plenty of bar stools. Ocean breezes and spectacular views of Sea Island, Little St. Simons Island, and the Marshes of Glynn make Village Creek Landing a perfect spot for an unforgettable celebration..

Village Creek Landing has a Facebook page and an Instagram page. If you would like to see photos of our venue follow @villagecreeklanding on social media. Please contact **Shasta Fahs (912) 222-2882** with any questions you may have for booking events or to schedule a venue tour.
