ABOUT US

Village Creek Landing is a private peninsula on St. Simons Island, Georgia where waterfront events unfold in unforgettable fashion. Stunning views as the setting sun paints the marsh with gold, coastal birds flying by, and the creek tide easing past make a spectacular backdrop for oyster roasts, low country boils, fish fries, BBQ dinners, cocktail parties, wedding receptions, or seated affairs.

Outdoor gatherings are a tradition here, complemented by a creekside Gazebo (ideal for bands and wedding ceremonies), decking with perimeter bench seating (with ample space for dinner tables and dancing), festive lighting, an upstairs porch with balcony and plenty of bar stools. Ocean breezes and spectacular views of Sea Island, Little St. Simons Island, and the Marshes of Glynn make Village Creek Landing a perfect spot for an unforgettable celebration..

Village Creek Landing has a Facebook page and an Instagram page. If you would like to see photos of our venue follow @villagecreeklanding on social media. Please contact **Stacy Gowen (912) 506-2301** with any questions you may have for booking events or to schedule a venue tour.

THINGS TO KNOW

Village Creek Landing's event rates are based on the number of guests, the day of the week, and type of event. When you rent the space you will have access to the property from 7am to midnight.

Village Creek Landing is venue only. We provide ten 60" round tables, eight 6' rectangle tables, six high top tables, and 100 chairs. You may set up inside or outside on the decks, or both. You may choose to use our tables and chairs or rent your own. We do NOT provide table linens, although we do have lanterns, glass vases, oyster shells and other decor items that you are welcome to use. We work closely with Beachview Event Rentals if you wish to rent linens and other decor items.

Village Creek Landing is equipped with a warming kitchen for caterers. The kitchen has a large ice machine, double commercial refrigerator, and a convection oven. We have a list of approved caterers that you may choose to use or you may bring your own food. Alcohol, on the other hand, must be purchased through Village Creek Landing and served by our bar staff. Glynn County ordinance does not allow anyone to bring their own alcohol. Not For Profit organizations that can provide a copy of a 501(C) may supply alcohol for their event.
